Vital I.D - Ensuring Child Safety

Ensuring your child is safe is the utmost importance to all parents & carers. At Vital ID we recognize the challenges of keeping your child safe whether at a busy mall, on vacation, at home or playing with friends.

If your child became lost or suffers a medical emergency in your absence, how would your child communicate to those around them and provide:

- Their parents / carers emergency contact numbers
- Information about their allergies or medical conditions
- Their name, date of birth & other important personal information

Our Kids Safety ID range provides the answer and provides a potentially lifesaving voice to assist your child when they need help the most.

We are actively promoting the importance for children to carry their parents carers contact numbers and a note of any relevant medical or allergy information. To assist in this goal we would like to offer your school / club / organization a valuable fundraising opportunity to raise funds for your group whilst promoting the importance of children carrying lifesaving ID.

How Our Fundraising Program Works

We are committed to ensure that our fund-raising program assists your school, pre-school or kids club as effectively as possible. To this end we will donate 20% of your total order value back to your school / club / organization so they can utilize these funds to benefit your children!

In addition to the financial benefit your club, school or organization will receive from your participating in this program, the children you care for will be equipped with quality safety ID products. Wearing these safety ID bracelets your children will always have their parents / carers contact details so in the event of an emergency or if the child becomes lost, assistance can be provided or your child quickly found.

Vital I.D - Ensuring Child Safety

In addition to our Children's Safety I.D, we offer a full range of I.D products ranging from Medical ID bracelets to Sport ID solutions to Pet ID systems. To view our other products please visit our website at www.vitalid.ca
