## Our Kids ID Wristband Is:

- **Fully Updateable** - Our Kid's ID wristbands allow the parent to quickly and easily update their chlds information should they change address, update their emergency contacts or need their medical information updated.
- **Strong & Durable** - Our bands can withstand a lot of use and wear and tear and all the abuse that only kids can dish out.
- **Attractive & Fun** - Our Kid's ID bands are available in a wide range of colours and designs.
- **Comfortable & 100% Waterproof** - Our bands do not ride up or jingle around the wrist and cannot be easily snagged. Our bands are 100% waterproof (even the ID insert card) and can be worn whilst swimming in the pool or ocean.
- **ID at a Reasonable Cost** - Unlike many other ID products, our wristbands are affordable enough for anyone to purchase and are made of quality materials and construction methods so are in no way lacking in their look, feel and function.
